by **Patty Diez** and **Greg Morabito** · May 20, 2016, 4:20p

## 9 Eli's Essentials

Eli Zabar's Upper East Side cafe is now serving a midday menu on Saturdays and Sundays that has a ton of brunch classics as well as few surprises, like brioche bread pudding and a porchetta sandwich. During brunch, Eli's Essentials also serves the same breakfast sandwich that the Zabar's team offers out in Amagansett during the summertime.
