GABI PORTER

Eli Zabar opens Eli's Night Shift on Wednesday.

New to the scene...

Eli Zabar opens **Eli's Night Shift (189 E. 79th St.)** Wednesday. In an effort to cater to a younger crowd, his cafe will transition to a beer bar at 6 p.m. On tap will be local beers and shandies like the Winant's Shandy — chocolate stout beer, St. Elizabeth Allspice Dram (a rum-based liqueur) and chocolate sorbet. The new bar comes not long after Zabar launched Eli's Essentials, which opened as a cafe in February and expanded to a wine bar in April.
