

## HOME SHOPPING DEPARTMENT: (212) 423-0129

homeshop@elizabar.com • www.elizabar.com

This shopping list will help jog your memory when placing an order online or by phone. Note that it is not exhaustive—if there's something you need that's not listed, please ask: we might have it. And please tell us as specifically as possible what you want. For example, is organic essential or will you accept the next best option? Does it have to be a specific brand or may we substitute?
