There's always a place for bagels with smoked salmon and cream cheese during the High Holy Days. Eli Zabar sells stacks of filled mini-bagels on a stand that makes serving them easy: A dozen mini-bagels with smoked salmon and cream cheese, and the stand, \$120 from *Eli's Market*, 1411 Third Avenue (80th Street), 212-717-8100 extension 9, for pickup or delivery in Manhattan.
