ELI'S NIGHT SHIFT

It's called Eli's "Night Shift" for a reason. Starting at 5pm daily, the daytime cafe transforms into a vibrant bar for local crafts on draft, light and bright cocktails and da good hamburgers. Try the *One Headlight*, created by proprietor Oliver Zabar – A nice to-night cocktail as it's made with whiskey, in-house cinnamon chile syrup, lemon and house-made Apple Cider.

189 E. 79th St., 212-879-7160, www.elizabar.com, [@elisnightshift](https://www.instagram.com/elisnightshift)
